MEMORANDUM FOR: CS Historical Board

SUBJECT: The On-Going CS Historical Program

1. Attached for review and discussion at the forthcoming meeting of the CS Historical Board are:

- a. A list of titles suggested by senior OTR officers for historical treatment.
- b. A review of the current and on-going CS historical programs with an attached list of "carry-over" histories from the current program.
- 2. We do not as yet have the views of division and staff components with regard to the content or staffing of the on-going program. These will be provided as available when the meeting convenes.
